

Application of Artificial Intelligence

Unit 3 Consolidation Task 1

Please have a live interactive discussion with a chatbot <https://www.cleverbot.com/> or <https://www.wotabot.com/> and document your interaction.

Chatbot used: Cleverbot

User: What are the most common spoken languages and the most common first languages in the world?

Clev: I don't know but the word 'flaw' is starting to look really funny.

User: Why?

Clev: Because I'm not a machine. I don't have all the inofrmation* of the world!

User: How can you get more information?

Clev: I was hoping you could tell me.

User: What do you already know?

Clev: I know that Neo is the.

*Clev's actual response included the misspelling of *information*
